

DON'T PAY MORE THAN YOU HAVE TO, WITH PATIENT SAVER PLUS

See if you could be eligible to pay as little as \$0 for your pharmacy co-pay through the Patient Saver Program.

Lower your out of pocket cost with **Patient Saver Plus**

We have partnered with **EmpiRx Health** and **Luna Health Solutions** to provide copay assistance to our employees. As part of your comprehensive benefits package, this innovative program provides copay assistance for your prescription medications, lowering your copay at the pharmacy for eligible medications.

Our partners will be contacting you directly and assist by handling every step of the process for you - from pre-qualification to enrollment and coordination with your preferred retail pharmacy.
